With the blessings of Bhagwan, we are overjoyed to share a meaningful step in our journey together. Our temple is moving forward with the next phase of building a new Sai Temple here in Pennsylvania, with construction planned to begin in 2026. This new temple will serve as a larger and more welcoming spiritual home for our growing community, a place where families can gather for darshan, bhajans, satsangs, children's programs, and cultural celebrations for generations to come.

As we begin this sacred work, we warmly invite all devotees to join us in strengthening this effort. Your prayers, your presence, your encouragement, and your support play a vital role in helping our community bring this dream to life. Every act of involvement, whether through seva or through contributions toward the building fund, helps us move closer to opening the doors of our new spiritual home.

We are deeply grateful for the love and support you have shown throughout this journey. May Bhagwan's grace continue to guide, uplift, and bless you and your families with peace, health, and happiness.

*With humble regards,*
